Summer Learning Plan

Dear Parents:

Welcome to True North! We are very excited to have you join our True North family! We know transitioning to a new school is never an easy one. In order to best prepare your child for success at True North, we would like your child to complete summer work in reading and math (see below). The plan consists of a required book that must be read, in addition to the completion of comprehension questions (or, as an alternative, participation in 3 literature check-ins); and, participation in one of the FLVS course OR completion of required math nation assignments.

Eighth Grade to Ninth Grade

Reading:

The Seven Habits of Highly Effective Teens by Sean Covey

[9th-Grade Summer Reading Book](#)

Assignment: Answer the attached comprehension questions. **ALTERNATIVE:** actively participate in THREE summer check-ins via Zoom. More information to follow.

Math:

True North FLVS summer class option (see attached details)

OR

*** Upcoming Algebra 1 Students Only:** Complete on the ramp to Algebra test in Algebra Nation.

***Upcoming Geometry Students Only:** Section 1 of Geometry Nation, watch videos and complete the test yourself for section 1.

TRUE NORTH

CLASSICAL ACADEMY

Timeless Principles: Remarkable Achievement

***Upcoming Algebra 2 Students Only:** Complete Section 2 Algebra Nation Algebra 2 and Test yourself.

***Pre-Calculus:** Your teacher will contact you with your assignments.

Assignment: completion of FLVS course OR math nation assignment as listed above.

Ninth to Tenth Grade

Reading:

Fahrenheit 451 by Ray Bradbury

[10th-Grade Summer Reading Book](#)

Assignment: Answer the attached comprehension questions.

Math:

True North FLVS summer class option (see details below)

OR

*** Upcoming Algebra 1 Students Only:** Complete on the ramp to Algebra test in Algebra Nation.

***Upcoming Geometry Students Only:** Section 1 of Geometry Nation, watch videos and complete the test yourself for section 1.

***Upcoming Algebra 2 Students Only:** Complete Section 2 Algebra Nation Algebra 2 and Test yourself.

***Pre-Calculus:** Your teacher will contact you with your assignments.

Assignment: completion of FLVS course OR math nation assignment as listed above.

True North/Florida Virtual Summer Class Option

We are excited to offer several Flexible True North / Florida Virtual School courses during the summer. The core of the courses are from the Florida Virtual School platform. We have modified these courses to enable our students to have a wonderful opportunity to master the foundational knowledge necessary to succeed for the upcoming school year in subjects such as Algebra, Geometry and Algebra II. There will be no cost to students to take any of these summer courses. Additionally, completion and passing of the course will provide students with an overall grade boost in the upcoming school year.

See attached for more information.

Please sign up at - [CLICK to enroll in TN/FLVS summer courses](#)

Enjoy your summer!!

Warm regards,

Marc Snyder, Ed.D.
