Timeless Principles: Remarkable Achievement

Summer Learning Plan

June 10, 2022

Dear Parents:

Summer offers a welcome change of pace for families. We encourage our students to find time for leisure; we also believe that keeping the mind and imagination engaged is necessary to stay sharp and prepare a bridge for new learning to come.

Our Summer Learning Plan is obligatory. We require all students to read an assigned book (see below) **before** the first day of class and answer some comprehension questions. Please purchase the version provided in the link. If you are experiencing financial hardship, please contact us for book support.

Students will be evaluated on their class participation and evidence of having completed the assigned task. A comprehension quiz is also likely.
